The following advanced training is available to cadets who have completed - **Proficiency Level 4** (or higher)

Course Title	Course Description	Course Location
<p><b>Staff Cadet (7-8 Weeks)</b></p> 	<p>Staff cadets are the NCOs of the Summer Training Centres. Staff Cadets undergo advanced training which includes being mentored by adult leaders and senior staff cadets. Staff Cadets provide leadership, instruction and support to Course Cadets at a Cadet Summer Training Centre (CSTC). Staff Cadets are not employees, rather participation by the staff cadet during authorized CSTC summer training constitutes advanced training. Staff cadet assignments are divided into two distinct categories:</p> <p>Type 1: Training; and Type 2: Training Support.</p> <p>Examples of staff cadet assignments include recreational sports staff, flight staff, and administration staff. Staff cadets receive an advanced training allocation ranging from \$71.00 to \$95.00 per day depending on their rank. Rank and pay for staff cadets depend upon the position; this is usually determined during a pre-course training and evaluation period. Staff cadet assignments are typically 7 or 8 weeks in duration.</p> <p><b>Cadets applying for staff must have completed Proficiency Level 4 and must not be less than 16 years of age as of the first day of January of the year of advanced training (staff cadet).</b></p>	<p>Various Cadet Summer Training Centres across Canada</p>
