

Field Training Uniform Name Tape Instructions:

Name Tapes are optional uniform accoutrements which must be obtained at no public expense by corp/squadron sponsors or individual cadets if authorized by their corp/squadron CO.

Name tapes shall be sewn to the Field Training Uniform Tunic as shown in the below image and as per the description below:

Positioning of Name Tapes

FIELD COMBAT CLOTHING

Must be sewn centred above the right pocket, lined up with the exact centre point of the pocket (as shown by the diagonal line in the image) and just above the end of the highest point of the pocket.

Note that the pocket itself is on an angle, so care must be taken to ensure the name tape is sewn on correctly.
